FOOTBALL CHEER CLINIC

Come cheer on your Providence Pioneers football team with your favorite PHS cheerleaders! The Providence Varsity cheer team will be hosting a clinic for grades Preschool through 8 on Wednesday September 5th from 5:30-7:30pm. During the clinic the girls will learn some sideline cheers and one longer cheer to preform at the game. The girls will play games with their peers, learn valuable cheerleading skills, and a small snack will be provided as well!

The girls will cheer on the sidelines the first quarter of the game on September 7th against Clarksville High School. Between the first and second quarter each group of girls will preform their quarter cheer. During the second quarter the girls will be returned to their parents to enjoy the rest of the game!

The cost for the clinic is \$25 per-girl, if the registration is received by August 31st. Registration forms received after the 31st will be \$30 per-girl. Walk-ins are welcome! The girls will be given a t-shirt to wear during their performance as well. Shirts will be guaranteed for the girls who pre-register.

*Please make checks payable to Providence High School!
