

December 2017

Dear School Parents:

Over the past 63 years, Holy Family parish has worked to keep our facilities in line with the vitality of our parish. Although significant progress has been made in many areas, the school building does not reflect the standards and vibrancy that distinguishes our school. We are kicking off a small capital fundraiser, Holy Family School Legacy Drive, to renovate the 2nd floor of the school above the cafeteria, which has not been renovated since the school opened in 1954. The focus will be on central air and heat, new ceilings, lighting, flooring and painting.

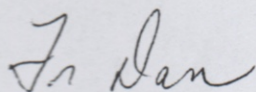

The Archdiocese of Indianapolis has approved the project and is not requiring any funds go through the diocese. All money raised will go directly towards the renovations. We have scheduled three phases of the drive: Leadership Phase, Parishioner Phase and School Family Phase. We have already had a very successful Leadership Phase and are now asking you to participate in the School Family Phase.

With the School Family Phase, we are asking all families complete the enclosed pledge card and return it in the provided envelope. No pledge or donation is too small or too large. You may participate with a one-time pledge by sending your full donation now, or you may choose to make 12 payments in 2018 through one of the options listed. If you are unable to participate monetarily, we ask you to please support the drive with your prayers.

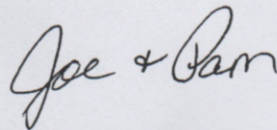

The estimated cost of the project is \$300,000 and we currently have over 2/3 pledged or in savings. It is our hope that we surpass the \$300,000 and begin saving toward a second phase to renovate the junior high classrooms.

Thank you for your prayers and support.

Sincerely,

Fr. Dan Atkins
Pastor
