

Dear Parents:

In such uncertain economic times it will be a difficult task for the Holy Family School Finance Committee to create a school budget for this upcoming academic year. As an additional challenge to the committee, the unpredictable enrollment trends Holy Family has experienced in the last several years has created a disproportion in classroom sizes. We have seen both larger and smaller enrollments than projected at specific grade levels. As a result, tough decisions for the 2018/19 school year may have to be made in relation to classroom size, how many homerooms per grade, and teacher assignments. If we have a good representation of the potential enrollment, we can make more informed and better thought-out decisions. This registration form is the strongest indicator of the enrollment makeup. As a result, Holy Family is establishing a first-come first-serve policy in regards to enrollment for next academic year. To secure your child(ren)'s place at Holy Family as a returning student, please submit this registration form as soon as possible.
