Illness Policy Reminder

If your child is ill with fever (over 100°), nausea, etc., please do not send him/her to school to suffer and to expose others to the illness. In the case of fever, do not send your child back to school until she/he is fever free for 24 hours after being off fever reducing medicine; in the case of vomiting, do not send your child back to school until they are vomit free for 24 hours. The flu is very bad this year and we do not want it to spread through Holy Family.
