(Rain Date May 22,2018)

### **Notes about Field Day>>> Please Read It All !!!**

#### **GENERAL NOTES:**

- \*Best Field Day in Floyd County!
- \*Best school day of the year!
- \*This day lasts the **entire day**. Starts with a student parade (9am), involves a lunch break, and ends with an award ceremony.
- \*Lots of preparation goes into this day (months worth)!
- \***25 games** are included for this all day event.
- \* Quite a few games involve water :)
- \* **at least ONE PARENT needed for each game ( this is when Mrs. Hines goes into STRESS mode)**. Love to have TWO Parents at a game BUT if there aren't enough parents, partners may be asked to separate. **Recruit your Holy Family friends!!!**
- \* Most games are outside, but there are four inside the gym. You will have time to get outside and find your kiddo.

#### **BEFORE Field Day Notes:**

- \* **Thursday** is our Work Day. Find Mrs. Hines and helpers in Ms. Hubers' Pre-school Room by the back door of the Gym.
- \* **Work Day** entails gathering all the equipment needed and setting it up in the Preschool room for the games. Several games have parts that have to be set up early, including visual targets on the floor and wall. Awards are gathered and organized.
- \* **Thursday** is also the day for parents to pick up balloons to fill up with water for one of our games.
- \* Tuesday is the time for parents to stop by and sign up for their game of choice. This is a great time to check out the games and look at directions ahead of time so your game runs smoothly.
- \* Parents that love a particular game are encouraged to make it their own! The more fun you have with it, the more fun the kiddos are assured to have as well!
- \* **Parent worker packets** are also available for pick up on **Thursday**.
