

MAY 1st ACADEMIC CALENDAR AND NEWS

I-LEARN TESTING APRIL 22nd TO MAY 10th FOR 3RD THROUGH 8TH GRADERS

It is very important that students be in attendance during the testing window. Please do not schedule any appointments that take students away from school. With most testing being completed online, it is difficult for both the school and the student to make up missed tests. Holy Family understands that illness does occur; however, it is imperative that scheduled appointments take place outside of these important dates.

Turn Markers  Into Energy!

Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills! The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All around Holy Family, students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house- even non-Crayola brands! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Enjoy a tasty treat and support sending our

Holy Family rising 8th graders to

WASHINGTON DC

Certificates are good at any Krispy Kreme store nationwide for a dozen glazed originals!

Field Day is Friday May 17th

This year's theme is Reading Rocks!

A vital part of Field Day is our parent workers. Many of our alumni volunteer and enjoy helping. It is great fun! Without lots of help, this day would not be a huge success.
