Dear Holy Family School & Preschool Families,

I am very humbled and honored to be named the new principal of Holy Family School & Preschool! I am particularly grateful for the blessing of this community of staff, students, and families in my life, and I am eager to begin my new role as the leader of Holy Family School. With new leadership, comes a new future for our Holy Family family.

I value our Holy Family family and as the leader of our family I will:

- **Pray** together as a family and honor Christ and His Church
- **Communicate** openly with our family. You can expect a response from myself and all staff members within 24 hours of your request
- **Laugh** together, enjoy our fun times as a family
- **Educate** our family in a manner that supports and empowers each student to reach their full potential
- Set and uphold **expectations** for all our family members
- Be **present** and **involved** as the leader of the family both inside and outside our school day
- Be **consistent** with our family
- **Promote** the 21st-century learner
- **Fight** for your child and the school's future
- **Cheer** the triumphs of our students and school with shouts and applause

I am proud and excited to launch the 2020-2021 school year with our incredibly talented and dedicated teaching faculty and staff and your ongoing support and partnership!

Please know that my door is always open, and I sincerely welcome your conversation and input. Let us keep our students the primary focus of our work together. I can't wait to celebrate our collective successes as a family.

Sincerely,

Mrs. Amy Huber
Principal
