

04 May 2020

After an extensive search, Holy Family Catholic Parish is pleased to announce that **Mrs. Amy Huber** will be the next principal of *Holy Family Catholic School & Preschool*.

With 29-years of experience teaching and leading within Holy Family Catholic School & Preschool, Mrs. Huber is already a cherished member of our ‘Holy Family’ family. She brings a tremendous love and devotion to the mission of Catholic Education for our children, the Church, and the community.

Mrs. Huber has served Holy Family Catholic School & Preschool most recently as the Assistant Principal for the last two years. In that time, she has assisted with teacher professional development, NAFC School Corporation liaison for Special Education, RTI (Response-to-Intervention) coordinator, as well as assisting with the Preschool where she trains our youngest Eagles in their first steps to soar. Mrs. Huber is known as a competent, confident, and can-do person capable of stepping in wherever she’s needed most. As a graduate of Providence High School, Indiana University, and Indiana Wesleyan University, she is well qualified for this new leadership responsibility. No stranger to technology integration in her own classroom, she is leading the efforts for 1:1 integration for our middle-school for the coming year. She is dedicated to preparing each student with 21st-century skills and knowledge to be productive members of society. Mrs. Huber sets exceptionally high standards, morally and professionally, for herself and will do the same for those in our school.

Not only is the ‘Holy Family’ family important to Mrs. Huber, so is her own. She and her husband have three grown children, and this spring, welcomed their first grandchild. Mrs. Huber and her husband are active members of St John the Baptist Catholic Church, Starlight, IN. There, she regularly assists at Sunday Masses as a Lector and an engaged chairperson of the annual Strawberry Festival.

Holy Family Catholic School & Preschool *Inspires Minds, Imparts Caring Hearts, and Instills Lives dedicated to Christ* in all her students, staff, and community. Every child is challenged to achieve academic excellence, social and emotional maturity, personal self-mastery and sanctity through a solid Catholic Christian formation and education. We foster each graduate to embrace lifelong Catholic Christian values and virtues that will enable them to become a contributing member to the Church and the greater community.

We are excited for Mrs. Amy Huber to lead Holy Family Catholic School & Preschool, as we move into this promising new future, together.
